## TOWNSHIP PIONEER ANSWERS DEATH CALL AT IRVINGTON HOME

### TRANSIENT BREAKS ANKLE IN FALL FROM BRIDGE

While seeking shelter from the rain, James O'Melion, a transient, suffered a badly broken ankle early Monday morning when he slipped and fell in the darkness from the railroad bridge crossing Alameda creek at the south entrance to Niles.

O'Melion was climbing down to get under the bridge when the accident occurred. He was picked up by Dr. E. C. Grau and taken to Niles where he was given temporary treatment and then sent to the county hospital in Oakland.

### NILES PUPILS TO HEAR LECTURE ON BIRDS

An illustrated lecture with slides will be presented at the Niles grammar school Friday afternoon by Mrs. Gymn Tebault, of the Latham Foundation for Humane Education. The lecture will be on birds and bird life and will be accompanied by records giving the calls uttered by various birds.

The Niles grammar school fourth, fifth and sixth grades recently submitted essays to the state essay contests on "Kindness to Animals."

### BERKELEY BOYS ABANDON STOLEN BIKES AT MISSION

#### Youths Leave Vehicles and Hitch Hike Back To Home

Apparently feeling the urge of enjoying a jaunt in the warm sunshine of the open country and yet not possessing the means of making the trip, two Berkeley youths solved their problem by stealing two bicycles in Alameda Thursday. When the pair, Frank Bannano, age 12, and Philip Baker, age 14, reached Hayward, they discovered one of the machines was a girl's bicycle, therefore they promptly exchanged it for a boy's make and proceeded as far as Mission San Jose where they abandoned the bicycles and hitch hiked their way back home. Authorities located the bicycles and later obtained a confession of the theft from the boys. The vehicles were carried through Niles Friday morning in a truck and returned to their owners.

### Robert Irvine Was Resident of Washington Township 50 Years

Washington township lost one of its oldest pioneers Monday morning when Robert Irvine answered the call of death at his home in Irvington.

The deceased was seventy years of age at the time of his passing. He came to this country from Scotland fifty years ago and had resided in Washington township ever since. Irvine was engaged in the carpentry business for many years, but had been retired for some time prior to his death.

His widow, Mrs. Robert Irvine, and three daughters, all of Irvington, survive to mourn his passing.

Irvine was a member of the Mission Peak I. O. O. F. Lodge, the F. & A. M. and of the Maple Camp No. 146 Woodmen of the World. Funeral services were held at the family residence in Irvington at 2 o'clock Wednesday afternoon, and interment was made in the Irvington cemetery. The Odd Fellows had charge of the funeral services.

Marielle Sullivan and Joe Blacow were recent Monterey visitors.

## WASHINGTON TRACK PERFORMERS LOSE MEET TO HOLLISTER

### Dick Takes Only First Place for Corn- huskers

Featured by the stellar performance of Hubbard, who captured four first places, Hollister high school track athletes defeated the Washington Union high school cinder path performers Saturday morning at Centerville. Hollister scored a total of eighty-two points to twenty-nine for Washington.

The sparkling performance of the meet was the sprinting of Held, crack Hollister dash man, who annexed the century in the fast time of 10.1 seconds. Dick won the only first place for Washington by taking the 220-yard dash in 22.7. Hubbard turned in a leap of twenty feet, three inches to take the broad jump for Hollister.

The meet summary follows:  
One hundred yard dash—Held, Hollister, first; Dick, Washington, second; and Fortino, Hollister, third. Time: 10.1.

Two hundred and twenty-yard dash—Dick, Washington, first; Held, Hollister, second; Fortino, Hollister, third. Time: 22.7.

Four hundred and forty-yard dash—Towle, Hollister, first; Wepnew, Hollister, second; Silva, Washington, third. Time: 55.4.

## PATRIOTIC GROUP TO GATHER TODAY AT THANE HOME

### Hon. J. R. Knowland To Talk On the Mission Trails Work

With the Honorable Joseph Knowland, of Oakland, scheduled to be present as the chief speaker, the John Rutledge chapter of the Daughters of the American Revolution, of Berkeley, will gather Thursday (today) at the home of Mr. and Mrs. J. E. Thane, in Niles, for the purpose of stirring interest among East Bay people in the Mission Trails movement. Weather permitting, the meeting will be held on the lawn of the Thane home, with those attending bringing their luncheons.

Among those present will be Mrs. Morley, wife of Professor Morley, of the University of California. Mrs. Morley is regent of the Berkeley Daughters of the American Revolution chapter.

The historic mission site at Mission San Jose, which is considered to be a valuable asset in the work of the Mission Trails association to attract tourists over highways where historic landmarks are located, will be viewed by the group.

Knowland has taken a very active interest in the work of the above organization and has contributed much in the way of helping it achieve its aims.

Mrs. J. E. Thane also will address the gathering on the subject of mission trails.

## H. L. Scott Will Run For Board

At the zero hour of filing notice of candidacy for election to the Washington Union high school board of trustees approached, H. L. Scott, a Niles man, came forward to enter the race with H. F. Harrold, of Decoto, and M. D. Silva, of Newark, who had already announced their candidacies. The date for filing expired at midnight Tuesday, and the election will be held Friday, March 25.

Scott is a popular Niles business man who has lived in this community for the past twenty-five years, and possesses qualifications which adequately, his friends say, fit him for a position on the board.

There are two trustees to be elected, one to replace the expiring term of F. V. Jones, of Niles, who did not wish to run for re-election, and one to replace the expiring term of Harrold, who had been appointed to fill a position on the board left vacant by the death of John Whipple.

### Niles Girl Suffers Sprained Ankle

Edith Hinkson, fifteen-year-old daughter of Mr. and Mrs. Robert L. Hinkson, of Niles, sustained a sprain of the left ankle last Tuesday when she slipped in front of the Alvarado school. Edith had accompanied Niles school children to the Alvarado school to witness a motion picture. The ankle was treated by Dr. E. C. Grau at Niles.

Miss Adelaide Martin visited friends in San Leandro Sunday.

## LARGE THROGS ACCLAIM BENEFIT MUSICAL DRAMA

### Operalogue "Carmen" Is Presented at Wash- ington High School

Between four and five hundred residents of Southern Alameda county and the bay section expressed their enthusiastic approval of the operalogue "Carmen" presented at the Centerville high school Tuesday evening by Mrs. Wallace Wheaton Briggs, dramatic exponent of operalogue, and her assisting artists.

The event proved once and for all that it is not impossible to find a sufficient number of people in the community who are interested in worthwhile entertainment, and Mrs. Briggs with her truly dramatic interpretation of the insolent "Carmen," the lovely and unfortunate "Michaela," and the fickle "Jose," assisted by two lovely violinists, Miss Elizabeth Parks Cunningham, and Miss Elizabeth Hackett, and the Franciscan Trio—Florence Briggs, cellist, Dorothy Dunyon, violinist, and Ann Bruce, pianist, offered to those who have enjoyed "Carmen" before a true and satisfying picture of this ever popular production, and to those who had not before had this pleasure, she brought the realization that opera in itself is enjoyable to young and old, to musician and layman, and is not, as many have claimed, only for those specifically interested in operatic music.

Along with the swimming pool fund, which receives the financial benefit of the program of Tues-

### Plant Redwood Trees At Niles School

Two redwood trees are now growing on the Niles grammar school grounds. They were presented to the school by J. E. Townsend through the Niles Boy Scout troop and were planted last week by the Boy Scouts and the Camp Fire girls.

Eugene Justus spent Sunday and Monday visiting friends in Tulare.

## TOWNSHIP SCOUT GROUP CHOOSES OFFICERS AT NILES

### Constitution To Be Voted On At Their Next Gathering

With the election of officers at the meeting held Monday night at the Niles Boy Scout house, the recently organized group of Washington Scouts, composed of scoutmasters and those interested in the scouting program, took a definite shape which is expected to raise boy scout activity in this township to a high level.

The following officers were chosen: J. E. Townsend, of Niles, president; E. E. Carroll, of Irvington, vice-president; Roland Bendel, of Decoto, secretary-treasurer; A. M. Alves, of Niles, sergeant-at-arms.

A committee was chosen by the president to draw up a constitution which is to be discussed and voted upon at the next gathering of the group.

The following were selected: William D. Mette, of Centerville; A. F. Johnson, of Niles; R. L. Pond, of Irvington; Peter Decoto, of Decoto; and J. P. Boyd, of Alvarado.

After the meeting, refreshments were served to the thirty members present. Scouts will meet hereafter on the second Monday of every month, with the next meeting scheduled for the Odd Fellows hall in Irvington.

All communities in the township were well represented at the Niles gathering, except Newark and Alvarado. Everyone has been urged to turn out a hundred per cent at the next meeting and all bring friends.

### Niles Department Holds Fire Drill

The Niles fire department engaged in another of their fire drills Friday night. The drill consisted of connecting and uncoupling fire hose with hydrants.

### ENTERTAIN FRIENDS Dr. and Mrs. R. B. Bennett entertained Bennett's father, Thos. Bennett, Mr. and Mrs. R. W. Bennett and Mrs. Stribley, all of Oakland, Sunday.

### RETURNS HOME Mrs. Jack Keebles returned to her home in Long Beach Sunday night after spending a week with her sister, Mrs. A. J. Petsche, of Niles.

### ATTEND WEDDING Mr. and Mrs. J. E. Thane and Mrs. J. R. Whipple were in Los Angeles over the week-end attending the wedding of Mr. and Mrs. Thane's grand daughter, Miss Fay Thane, of San Francisco.

## NILES CHAMBER OF COMMERCE ADOPTS MONDAY AS MEET DAY

### ALLEGED BURGLAR IS HELD FOR HIGH COURT

Ray Hendricks was bound over to the superior court on charges of burglary by Justice of the Peace J. A. Silva at his preliminary hearing held Tuesday afternoon in the Niles justice court.

Hendricks was caught leaving the Niles MacMarr store late Sunday night, March 6. The store had been broken into and a sum of \$8.00 taken from the butcher till. However, when Hendricks was captured by Night Patrolman Arthur Roderick only sixty cents was found on his person.

The prisoner was represented in court by the public defender, while George C. Perkins, deputy district attorney, prosecuted. Bail was set at \$2000.

### Truck Demolishes Newark Mail Car

N. Lax, Newark rural mail carrier, narrowly escaped serious injuries last Tuesday noon when his mail car was hit by a county gravel truck in front of the A. D. Buchanan home on the McKeown road.

The accident occurred while Lax was parked in front of a mail box delivering mail. The car was entirely demolished.

### Committee For the Wild Flower Show Is Re- appointed

After next Tuesday's meeting, the Niles Chamber of Commerce will hold their regular weekly gathering on Monday, it was unanimously decided by members of the civic group at their session this week. This change has been made to allow members who are unable to attend regularly on Tuesdays an opportunity to be present more frequently.

After the question of the wild flower show given annually in Niles was brought up, President F. V. Jones appointed the same committee who had charge of the affair last year to make plans for this year's fête. This committee consists of J. E. Townsend, chairman; E. D. Bristow, William Kirk, Al Johnson and A. J. Petsche. In addition, William Jones and Jack Williamson were appointed to serve on the committee this year. Although the definite date for the holding of the flower show has not yet been set, the event will take place early this spring.

A motion to endorse the plan of the Centerville Lions Club in sponsoring the campaign to obtain funds for the township swimming pool to be located at the Washington Union high school was unanimously passed by the chamber. Justice of the Peace Allen G. Norris, of Centerville.

## EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

### WETS' TOY BALLOON "BUSTS"

THE TEST of strength between the proponents of the Eighteenth amendment and the saloonists proved that congress is still "dry." The move to turn the rum business back to the states failed utterly, and for the time being, at least, the "wets" have nothing to do but weep. Their great drive failed, and the program of saloon return seems to have collapsed entirely.

It is interesting to know how California congressmen voted on this issue, so largely press-agitated, that for a time it has appeared to overshadow all other domestic problems, and shove into discard those momentous and far-reaching events transpiring in the Far East. Crail and Swing, both candidates for the United States senate to succeed Samuel Shortridge, remained true to the principles of prohibition and voted "no." Congressman Free, near-by, also voted "dry."

Here in our district, Carter, understood to be uncompromisingly behind the Eighteenth amendment, switched and is now aligned with those who long to see the saloon back on its familiar corner in every city, town and hamlet in America. Carter's friends are surprised, dismayed and appalled at his right-about-face on a great moral issue. His staunchest supporters have been the church and temperance people. But he has slapped them in the face and gone over to the "wets" on all four feet.

The writer had advance information that Carter was going to forsake his anti-saloon friends, inspiring our editorial of two weeks ago. On a moral issue, a real man never wavers because his political life is jeopardized or his business interests endangered. On economic issues men may change through expediency, but on the higher principle of right and wrong, no man worthy of consideration makes peace with evil.

We are sorry that Carter deserted his old friends, but the record must be kept straight, that he that runs may read it.

need watching

Let Dr. Caldwell help whenever your child is feverish or upset; or has caught cold.

His simple prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste.

You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without loss of one mother or baby is believed unique in American medical history.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your drugstore and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite—makes digestion more complete.

Add up the advantages:—The cost of operating an Automatic Gas Water Heater, the cost of the heater itself, the easy terms, and its convenience. Your answer will be:—An Automatic is not a luxury but one of the most important necessities for healthful, happy home life. You simply turn the faucet any time for a tubful of hot water for bathing or a basinful for shaving. No waiting, no bother.

Plenty of Automatic Hot Water dissolves dirt from 2 to 20 times faster. That saves your energy. You do not wait for water to heat. So you save time. Studies have been made which show that Automatic Hot Water saves from 4 to 6 hours each week. These hours are yours for reading, shopping, or entertaining.

## Well-Made Water Heaters

You can buy an Automatic Gas Water Heater for 50% less than you could in 1917. Yet the new, improved Automatics are colorful and better built. As for the terms, they are as low as \$4.85 down and \$3.85 a month, with a liberal trade-in allowance for your old non-automatic water heater or water-bath. These are the easiest terms ever.

Architects and builders are now specifying Automatics for all modern homes. Bring your home up-to-date by installing one. It is simple and easy to connect to your present plumbing. And remember, Automatic Hot Water costs less per gallon than any other method of heating water in the home.

\*According to our gas rates, Automatic Water Heating with Natural Gas saves the average consumer 40%.

## Water Chlorination and Street Oiling Occupy Pleasanton Council

### PURCHASE OF NEW SPRINKLER SAVED BY ROAD WORK

Cost To Be Shared by Property Owners and Town

Because the present water wagon of the town of Pleasanton is in a state of total disrepair, the town council last week, seriously discussed the problem of oiling all of Pleasanton's streets this year.

The problem of keeping down the dust during the summer months has in the past been dealt with, entirely unsatisfactorily, by means of the water wagon. The wagon has been a constant drain on the town treasury, and it has almost totally failed in the job it has been set to do. To keep on this year with the same system in combating the dusty streets would necessitate the purchase of an entire new water wagon.

A few years ago several of the streets in town were oiled, and this proved a permanent and highly satisfactory method of keeping the dust under control. It is proposed to have the remainder of the roads in Pleasanton treated in the same manner this spring.

An engineer was in town Tuesday conferring with A. B. Pickard and Frank Garatti on the cost of the process. He found that it would be necessary to measure all the streets to be oiled in order to give the exact cost per running foot. This cost will

### Trustees Have Busy Evening Monday

At a busy session last week, the Pleasanton town council took up problems of major importance to the citizens of the community.

The questions of oiling the streets and chlorination of the town well water occupied the bulk of the evening.

When reports from the insurance company revealed that men pressed into fire fighting service by the fire chief would not be covered by the proposed policy, the question was set aside for further investigation.

A proposal to take down the grade on Abbey street alongside the grammar school was discussed tentatively.

The following election officers were named by resolution of the council: Mrs. Katherine Port, inspector; Miss Carrie Ward, judge; Miss Nellie Steane and Mrs. Edith Ziegenfuss, clerks.

Building Inspector Ole Olesen asked the council to instruct him as to whether or not he should require the contractors building the new Memorial Hall to buy a permit from the town. This point of law was turned over to a committee for investigation.

various with the width of the street, it was pointed out.

The expense of the work was borne, partially by property owners and partially by the city. Each property owner pays for the road in front of his property, and the city bears the cost of the intersections.

"He Hath Come"

STORY

"Out With the Crowd"

School at 10. Church at 11.

"Philip saith unto him, Come and see."—John 1:46.

A Christian life involves both defense and offense. The follower of Christ must defend himself from the dangers and evils in this world. But he cannot stop at this point or his religion will be wrapped up in himself. What he has received that shall he also give. In this he must take on the offensive. Having put on the armor of God, he must go forth to war, to defend Christ even to the extent of entering the ranks of the foe. The weakling can drift with the stream in ease, but only through struggle can he who is on the offensive go against the stream. Something like this took place when after months of self-preparation among friends who were being healed and taught, Christ marched right into Jerusalem itself, and in the midst of the enemy's camp He declared Himself the Son of God. The Son of God goes forth to war, A kingly crown to gain; His blood-red banner streams afar; Who follows in his train? Who best can drink his cup of woe? Triumphant over pain, Who patient bears his cross below, He follows in his train.

The Niles Christian Endeavor met Sunday night, with the "Purpose of Life" as the topic of discussion. Refreshments were later served by Jack Townsend and Vernon Ellsworth.

Reverend and Mrs. Brinkmeyer were dinner guests at the home of Mr. and Mrs. E. A. Ellsworth, Sunday.

## PLEASANTON MAN ESCAPES HURT IN WRECK

Jim Poulsen, of Pleasanton, escaped with minor hurts when his car was crowded off the road and hit a large gum tree about one and one-half miles from Pleasanton on the Pleasanton-Livermore highway last week.

Poulsen, who was coming from Livermore, stated that he was crowded off the road by another car traveling in the same direc-

tion and could not get his car under control before it hit the tree. Poulsen suffered only a few cuts and bruises. His car was badly damaged and was hauled to town by a Pleasanton garage.

## CENTERVILLE FIVE LIBRARY SERVICE IS LOSES GAME TO TOPIC AT SCHOOL MISSION HEAD MEET

The Centerville grammar school "A" team dropped a basketball game to the Mission San Jose school Friday by the count of 15 to 8. At the conclusion of the contest played between the "C" teams of both schools, the score knotted 6 to 6.

Mmanuel Soit was high point man for Centerville in the game. Pupils of the Centerville school will enjoy a respite from their studies next week when the Easter vacation begins. There will be no school from Monday, March 21, until April 8.

Speaking on the subject of Child Welfare, Mrs. G. Campbell, president of the Sixteenth District Parent-Teachers' Association, addressed the members of the Centerville grammar school parent teachers group at their regular meeting Tuesday afternoon in the grammar school auditorium.

The Centerville Parent-Teachers are making plans for a card party to be held April 8.

### St. James Guild Meet At Memorial Hall

St. James Guild met at Memorial Hall last week with Mrs. M. Gregory and Mrs. C. Anderson as hostesses. Considerable work was done, and final arrangements were made for the food sale to be held at the Gregory hotel, through the kindness of the proprietors. There will be everything from home made pies and cakes to cookies and salads for sale.

Mrs. Moringa has been quite ill for the past two weeks.

Discussing the possibilities of improving county library service for the public schools Miss Mary Barnby, of the Alameda county library, was the chief speaker at the southern Alameda county school principals meeting held at the Gregory hotel in Centerville Monday night.

Miss Barnby asked the school heads to drop in more frequently at the library and discuss the problems with officials there. She also asked the principals to make their exchanges oftener, thereby facilitating more efficient service on the part of the library.

### Many Traffic Cases In Centerville Court

Twenty-five motor vehicle cases came before Justice of the Peace Allen G. Norris in the Centerville justice court Tuesday. This is an unusually large number of traffic violation cases to come before the court in the week, according to Norris.

Mr. and Mrs. J. Kirkish and family spent the week-end visiting relatives in Sunnyvale.

J. V. Goold, of the high school faculty, has been absent from his duties this week due to illness.

## HEAVY STICK WORK FEATURES WASHINGTON BASEBALL VICTORIES

### Win First League Contest From Emeryville; Defeat Hollister

After getting off to a bad start in the two pre-league baseball encounters, Coach Jess Regli's nine hit championship stride last week to win two contests by large scores.

Friday afternoon at Emeryville, the Cornhuskers opened their southern Alameda county league competition by clouting out a 20 to 7 victory over Emeryville high school, and continue their heavy batting barrage Saturday afternoon to pound the apple for a 16 to 3 win over Hollister in a game played at Centerville.

Led by Wilson and Faria, who scintillated with the stick, the Washington athletes collected a total of fifteen safe blows in the Emeryville contest, while their rivals mustered ten hits from the offerings of Amaral and Wilson who alternated on the mound for the Cornhuskers. Wilson had a perfect day with the willow, driving out two circuit clouts and a single and drawing two free passes during his five trips to the platter. Faria smashed out two doubles and two singles in six times to bat.

Knobles led the Washington batting attack in the Hollister game connecting safely in his three trips to the plate, while Faria continued his tactics of the day before by driving out another pair of doubles and one single in five times to bat. Kitashima and Amaral worked on the hill for Washington and kept Hollister's eight safeties well scattered.

### Emeryville Game

Washington scored five tallies in the first inning on five safe blows. Sekigahama drew a free pass and went to second when Yamashi laid down a bunt to the pitcher who tossed him out at first. Faria binged to center and went to second when the centerfielder allowed the ball to get by him, while Sekigahama crossed the home platter. Fontes, batting clean-up, flied out to left field, but Rose hit safely to score Faria. After Rose had stolen second, he went to third when the short stop let the throw from catcher get away from him and came home on a single by Foehr after Wilson was walked. Ikeda also connected for a hit loading the bags. The Emeryville pitcher became wild at this stage and walked Nakagowara and Sekigahama, forcing in Wilson and Foehr for two runs. Yamashi retired the side by striking out.

Emeryville was set down in one, two, three order in their half of the first, but collected one counter in the second frame on one hit, a walk, and a man hit by the pitcher.

The Cornhuskers were held scoreless in the second inning but added three more to their total in the third. Wilson up first found one to his liking and performed a Babe Ruth act. Foehr got his second hit of the day and stole second. Ikeda was issued a free pass, and Nakagowara made first on an error, loading the sacks. The Emeryville slabster, still unable to locate the plate, walked Sekigahama, forcing in another run. Yamashi was out on an infield fly rule but Foehr tallied on the play. Fontes and Faria flied out to retire the side.

Pedemonte, Emeryville's third sacker, slammed out a homer in the third inning to give his teammates another score.

Washington tallied one run in the fourth frame when Wilson, with the memory of his long clout in the preceding inning still fresh in his mind, stepped to the plate and selected one of the Emeryville hurler's slants to pole out another home run.

Emeryville scored another run in the fourth when the first man up doubled and later came home on a single after two men had been retired.

Emeryville's rout became a headlong flight in the fifth when the Cornhuskers chased six tallies across the platter on one hit, three walks and two errors. Knobles, who had replaced Nakagowara in the field was safe on a bobble by the third baseman. Sekigahama walked and Yamashi singled to score Knobles. Yamashi stole second and Faria slammed out a double to drive in both Sekigahama and Yamashi. Fontes was given a free ticket to first and was safe on his attempt to pilfer the keystone bag when the catcher threw wild, allowing the runner to reach third. Rose sacrificed to score Fontes. Wilson scored the final run of the inning after he had been given a walk and was advanced around the bases on two long flies to the field.

Emeryville added a pair of runs to their total in the fifth when they touched Wilson for three hits, one of them a homer by Schloser.

The Cornhuskers collected two more runs in the sixth. Sekigahama hit safely after Knobles had flied out, and reached third when the left fielder bobbled the ball. Kitashima singled, scoring Sekigahama, and stole second and third base to score on Fontes' bingle.

Emeryville added a run in the sixth when Suerang, following the example previously set by two of his teammates, connected for a circuit clout.

Washington counted three runs in the seventh to end their scoring for the game. Rose walked, stole second and scored on Wilson's single. Foehr and Rivers also were issued free passes, but Foehr was out at third on Knobles attempt to sacrifice. Rivers and Knobles, however, both crossed the home plate after the Emeryville pitcher had walked his fourteenth man of the game and given his fourth pass to Sekigahama.

The contest was called at the end of the eighth inning on account of darkness.

Hollister Game  
The Hollister contest remained on fairly even terms with Washington holding a 6 to 3 advantage, until the sixth canto. In their half of this inning, Coach Regli's nine unlimbered its heavy artillery and staged a merry-go-round which sent seven men scampering across the home platter before the scoring spree was over. Three of the seven hits garnered in this inning were of the type which has made Babe Ruth famous, Nakagowara, Knobles and Rivers hitting for the circuit.

The Cornhuskers had their batting averages assume a round appearance as a result of this game when they collected twenty safe blows during the contest. Kitashima completely baffled the

## EASTERN STAR AT CENTERVILLE HOLD BIRTHDAY PARTY

### Past Officers of Lodge Are Escorted and Introduced

Orient Chapter No. 117, Order of the Eastern Star, held its regular meeting Wednesday evening, March 9, in the Masonic hall, in Centerville. Mrs. J. V. Goold, worthy matron, presided at the meeting. After the business was transacted the chapter celebrated its birthday.

In honor of this occasion all past matrons and past patrons of the lodge, who were present, were escorted and introduced.

The past matrons present included Mrs. Willa Jane Hellwig, Mrs. J. H. Ralph, Mrs. E. E. Hellwig, and Mrs. E. A. Richmond, of Alvarado; Mrs. H. M. Kibby, Mrs. Ernest Martin, Mrs. Fern Mitte and Mrs. P. A. Ellis, of Niles; Mrs. E. Wyatt, Mrs. B. A. Brown, and Miss Nancy McKeown, of Newark; Mrs. H. C. Searles, and Mrs. Henry May, of Decoto; Mrs. E. B. Hodges, and Mrs. E. N. Alexandra, of Centerville.

The past patrons present included E. E. Hellwig, of Alvarado, E. B. Hodges and E. N. Alexandra, of Centerville; H. May and H. C. Searles, of Decoto; P. A. Ellis, H. M. Kibby, and E. V. Jones, of Niles.

Mrs. Willa Jane Hellwig, junior past worthy matron of the grand chapter of California, a member of Orient Chapter, and a resident of Alvarado, gave a brief history of the Order of the Eastern Star, and an outline of the history of Orient chapter.

Mrs. C. Mack, of Niles, the only charter member present, was then introduced.

Mrs. R. Coe, of San Jose, gave two readings, "The Swimmer's Hole in the Church," and "Betty at the Baseball Game."

The members then adjourned to the banquet room, which was beautifully decorated in Saint Patrick's colors and designs. Delicious refreshments were served, and short talks by many of the honored guests were enjoyed.

## LIQUOR CASE SET FOR CENTERVILLE COURT

At the hearing held last Tuesday, C. W. Priester, charged with possession of liquor, pleaded not guilty in the Centerville justice court, and demanded a jury trial. The trial will take place in the Centerville court on next Tuesday.

Priester was arrested after federal and county officials recently staged a raid on his ranch between Centerville and Alvarado and discovered a quantity of assorted liquors.

Mr. and Mrs. J. W. Chandler and Mr. and Mrs. E. Chandler spent Saturday in Stockton. Mrs. F. O. Bunting joined them there and returned to Centerville with them.

Dr. and Mrs. G. S. Holeman were recent San Francisco visitors.

Mr. and Mrs. Jack Barnes and son, of Hayward, visited Mr. and Mrs. William LaComb Sunday.

Hollister batmen with his slants, causing eleven of them to whiff the air in vain and allowing only five hits during the seven innings he performed on the slab. Amaral twirled the last inning.

The Washington high nine will tangle with Foothills Friday afternoon on the Foothill diamond, and if Coach Regli's men still possess the inclination for driving the ball to all corners of the lot displayed last week, this game should end with the Cornhuskers adding another scalp to their belts in their championship drive.

Kane Springs—Completion of Julian-Kane Springs road expected by May 25.

## DEATH SUMMONS CENTERVILLE WOMAN

Funeral services were held Tuesday afternoon from the Botelho chapel for Mrs. Albert Harrington who died suddenly Sunday night at her home in Centerville.

Mrs. Harrington had not been seriously ill at the time before she was stricken and had performed her usual duties during the day. Heart failure was given as the cause of her death at an autopsy performed Monday by Deputy Coroner F. F. Botelho. The deceased is survived by her husband. They have been residents of Centerville for about five years. Interment was made in the Irvington cemetery.

San Jacinto—Construction of new Mountain View avenue extension started near here.

At the close of the meeting refreshments will be served.

## Amador Dons Defeat Tracy High School Nine In Walk Away

### PLEASANTON SIGN DEDICATED WITH SHORT CEREMONY

#### Improvement Club Lauded for Many Civic Benefits

The large Pleasanton electric sign was dedicated to the city of Pleasanton at a brief, but impressive ceremony held by the Women's Improvement Club in front of the city hall last week.

The sign was donated to the town by the women's club. It was presented to the city by Mrs. J. B. Lee, president of the club. Mayor A. B. Pickard accepted the sign for the city. The sign was turned on by Mrs. Lee, and then the crowd moved into the city hall for a few short talks.

The high school band played several selections during the program.

Two addresses were delivered inside the hall, one by T. H. Silver, and one by C. Letham. They both spoke on the numerous civic improvements the club has backed and carried out during the twenty-four years it has been organized.

### Score of Twenty to Two Tells Story of Last Friday's Game

The Amador Dons defeated the Tracy high school nine in a seven inning game played at the Amador field last Friday afternoon by a score of twenty to two runs.

The Dons were fortunate that Tracy used a left handed pitcher, for Coach Patterson has been drilling his batters against left handed pitchers as two of the league teams will probably depend on southpaws this season.

Frank Peters displayed promising skill at twirling the ball for the Dons this year. Peters lasted for the entire Tracy game. He struck out thirteen men and allowed only two walks.

In the first half of the first inning Peters allowed the first man to walk. The next man up was struck out. A long fly to Marino, right into his hand, was juggled, allowing two runs to score.

The Dons came back in their half of the first inning to make three hits, a walk, and one error to tie the score. After the first inning Tracy failed to threaten until the fifth, when they earned two hits, with a man on second and third and no outs.

Peters proceeded to strike out the next three batters.

On the other hand, the Dons scored in every inning but the fourth. In the sixth they knocked the Tracy pitcher out of the box, scoring thirteen runs in a row. The Tracy reserve pitcher walked six men in a row, and the whole Tracy team blew up. The game was a slow and drawn-out affair from then on.

Statistics of the game: Cole got four hits out of five attempts. Peters struck out thirteen men. Tracy's pitchers struck out nine. Peters walked two. Tracy walked eight. The Dons made two errors. Tracy made nine.

## STORE BREAKER IS ARRAIGNED IN PLEASANTON

### John Anderson Confesses to Four Burglaries in Past Week

After confessing to breaking into a Pleasanton store last Tuesday night and three other burglaries in Pleasanton and Livermore during the past week, John Anderson, vagrant, was arraigned in the court of Judge Charles A. Gale last week.

Following his arraignment he was taken to the county jail to await his preliminary hearing on the burglary charges against him.

Besides the Lewis job, Anderson confessed to breaking into the Pleasanton Western Pacific station, the Livermore Western Pacific station and a Livermore garage. All three of these crimes were committed last Thursday night.

Anderson was arrested recently by Constable Al Vervais, when he found Anderson wandering about Pleasanton in a suspicious manner. About eleven-thirty Vervais noticed him peeking in the back windows of the Cozy Corner grill.

In the presence of Vervais and Nightwatchman J. Delucchi, Anderson confessed to breaking into the store of Frank Lewis. He was held in the Pleasanton jail over night.

After being grilled at length by officers from the sheriff's office in Oakland, Anderson confessed to the three other jobs.

### Tribune Annual Prints Article on Pleasanton

For the first time in ten years Pleasanton received a mention in the Oakland Tribune Annual, which came out this week.

The article, written by William T. Davis, tells of the town's advantages, describing its climate, good homes, and industrial possibilities.

## HIGH SCHOOL NOTES

Officers of the high school alumni association held a meeting at the high school Tuesday night to make arrangements for the annual meeting, banquet and dance of alumni members. The meeting was called by William Marston Dassel, president.

The high school scholarship society held its regular monthly meeting Wednesday at the home of A. J. Rathbone, president.

There will be no classes at the high school next week due to the Easter vacation which lasts from March 18 to March 28.

Barton Webb, member of the high school faculty, addressed the Centerville Lions club at their regular meeting held last night. He spoke to the group on high school class room work.

A meeting of the California Scholarship Federation District Council held at the Burlingame high school Saturday was attended by Frank Dusterberry, Jr., Leona Solon, and Joe Guardanapo, high school students, and Mrs. Morris, of the faculty. A round table discussion took place in the morning and was followed by a luncheon at noon, at which Mr. Morris, dean of the San Mateo Junior College, spoke on the subject of the "Happy Worker."

Among the subjects discussed at the gathering were what privileges should be given to scholarship society members in high schools, what recognition should they receive, and what service should they perform?

A regional conference meeting of the scholarship organization will be held at Santa Cruz on April 9. Efforts will be made to have the entire Washington high school scholarship society attend this gathering.

## Pleasanton Y.M.I. Scores Win Over Mt. View Cagers

### Tuesday Night's Game Ends With Score of 38 to 27

The Pleasanton Y. M. I. cagers scored another victory in their basketball season when they met the Mt. View Native Sons in a tussle played at the Amador gym last week. The score was Pleasanton, thirty-eight and Mt. View, twenty-seven.

The Y. M. I. used three alumni players, who had just finished a hard game with the Mt. View team, so the fact that the visitors were not fresh was not such a handicap as it at first appears.

The game started off with a rush, with the Y. M. I. using McCormick and Smith to score fourteen points in the first half. The Native Sons scored nine points in this period, but at the start of the second half they closed up the gap and even got a slight lead. Smith and McCormick again launched a scoring spree, which put Pleasanton well in the lead.

McCormick was high point man for the evening with sixteen. Smith followed closely with fourteen points. Joe Anselmo made six and Nerton made four. The lineup follows: Nerton, Nevis and McCormick, forwards; Smith, center; Paulo, Wagner and Anselmo, guards.

### MEN AND WOMEN ARE INCLUDED IN SUNDAY MORNING BIBLE CLASS

Rev. R. C. Cross Leads Adult Group at Presbyterian Church

The Fellowship Bible Class of the Pleasanton Presbyterian Church is now made up of men and women. Mrs. W. T. Nilson, president announced last week.

The class will meet every Sunday morning from ten-fifteen to eleven o'clock at the church. Rev. R. C. Cross will be the instructor.

In the past the class has only been composed of women, but the plan of combining the men and women proved very successful at a meeting held last Sunday. The membership drive, which is now being conducted has doubled the attendance of the class. The drive will close on Easter Sunday.

day evening, next season's opera program in the bay section will find a new group of devotees from this section and will also specifically benefit from Mrs. Briggs' delightful entertainment given here this week under the auspices of the Toyon Branch of the Children's Hospital of the East Bay.

Deserving mention along with the other artists is Genevieve Williamson, from San Francisco, instructor of dancing at the Williamson school, who did several solo dances during the course of the opera.

The program opened with selections from the "Carmen" suite by the high school orchestra under the direction of John E. Kimber, the young people demonstrating the truly remarkable progress they have made. Mr. Kimber received hearty congratulations from a number of musical critics in the audience.

A gay and colorful atmosphere for the presentation of "Carmen" was created by a group of gypsy dancers from the Williamson school's dancing classes, those taking part being Catherine Rathbone, Evelyn Pond, Anna Millcent Shinn, Mable Townsend and Betty Robinson. Miss Antoinette Holeman won much applause with a Spanish solo dance.

Mention should be made of the attractive stage setting arranged by Mrs. Lawrence Bunting and the lighting effects directed by Barton Webb, of the high school faculty.

Mrs. J. C. Shinn, chairman of the program for Toyon Branch, announced the program, and Judge Allen Norris, in the absence of the president of the Lions club, Dr. George Holeman, spoke briefly of the swimming pool fund being sponsored by the Lions and of the sale of script books now in progress in an effort to raise \$7500 to install the pool at the high school.

Last Friday afternoon the Niles Teniga group of Camp Fire girls had their meeting at 4:30. At that time the girls enjoyed themselves by preparing their own meal. At seven o'clock the regular meeting was held indoors. Many interesting plans have been made for the near future.

The group was divided into two groups, and the evening was spent by doing interesting handwork.

The message of Dr. Luther Gulick to Guardians:

"The paradox of life is that we keep that part of it which we give to others and that we lose that which we save for ourselves. The breath of the spirit is like the breeze—grasp it to hold and there is nothing. It is like the heart which grows by giving love. Without love—save it and the heart is empty."

**RADIO STARS HOLD MISSION GROUP FETE IN MISSION SAN JOSE INITIATES FOUR MEMBERS**

"Echoes of Portugal," a daily radio feature over KTAB, was presented in the I. D. E. S. hall at Mission, Sunday night. All the artists were given a chance to show their talent. The program consisted mainly of songs, dances and skits. It was under the direction of Mr. Azevedo, their regular announcer.

After the program, a large banquet was served to the entertainers, and later American dancing was held.

It was through the efforts of Mr. Madera, Mr. Silva and Mr. Garcia that this program was presented.

About 300 people attended the show. Among the spectators was the well-liked Reverend Reberio of the Holy Cross church of San Jose.

Four members were initiated into the S. P. R. S. I., local lodge, Sunday. Those who were initiated were Mrs. Katherine Azevedo, Mrs. Marie Telles, Mrs. Rose Escobar, and Mrs. Rose Recent. The yearly election of officers was also held. Those taking offices are Mrs. Mary Rogers, president; Mrs. M. Mendoza, vice-president; Mrs. Amaral, secretary; Mrs. Bair, master of ceremonies; Amelia Amaral, marshal; Helen Andrade, door keeper; Mrs. Emma Vargas, ex-president; Mrs. Minnie J. Garcia, Mrs. J. **MONEY What Is It Good For ?to Hoard or to Squander?**

**NO!** There is a better way. A more conservative way. A more profitable way to use money. A far better way than either squandering or hoarding it. That is to spend it—JUDICIOUSLY—to save some and spend some. To deposit some in a savings account, to invest some in safe securities, to spend some for the necessities of life, and to "invest" some upon luxuries and the pleasures of living. Money invested and saved is an earning power which will prove a help and a comfort for the "rainy day." And money, judiciously spent helps to round out a full life of profit and pleasure.

**ADVERTISING** plays its full part in keeping money in healthy, judicious circulation. People today are more thrifty-minded than they have been for a long time. The merchant who is awake to present-day conditions and to the needs of the paying public, ADVERTISES—tells the customer what he has to sell, and how much it sells for, so that the buyer may find it easier to spend his or her money conservatively and thriftily, and still buy the things they need and want. Thus the merchant, the customer, and the general public are all benefitted by keeping money in circulation.

.....and, of course, to do the most good, your advertising must reach the greatest number of people. You know,

### CALIFORNIAN BUYS FAMOUS PACER; TO RACE AT '32 FAIR

Announcement recently that S. H. Cowell, noted horseman of Santa Cruz, has purchased the sensational pacer, Star Etawah, will be greeted with enthusiasm by racing fans, for it presages new records for California tracks this year.

Star Etawah, with a mark of a mile in 1:59 3-4, created a furore at the grand circuit meet in Lexington, Ky., last year when he spurred to victory in the two deciding heats. Cowell purchased the horse with sixteen others, at the Senator Stock Farm sale in Indianapolis. He now has a string of thirty horses, in charge of Walter H. Tyron, veteran trainer and driver, at Sacramento.

Among the new arrivals are five mares bred to Truax, the sire of Talmut Butler who won the \$40,000 Hamiltonian stake at Lexington. Nine yearlings, sired by The Senator, also are in the shipment.

That the harness racing game is "looking up" is indicated further by the great number of entries for the futurities and two-year-old stakes at the California state fair. Charles W. Paine, secretary-manager of the state fair, reports thirty-eight nominations for the futurities to be presented in 1935, and twenty-nine entries for the two-year-old events at this year's state fair on September 3 to 10.

Mrs. DeTacey spent the week-end at her cottage in Sunol.

## "Count and Co-Ed" To Be Presented in Pleasanton

### First Modern Musical Comedy To Be Presented at Amador High

Reserved seat tickets for the "Count and the Co-Ed" to be presented by the students of the Amador Valley high school at Pleasanton tonight and tomorrow night went on sale at Letham's at 12:10 p. m. Tuesday.

The operetta is a modern musical comedy, the first of its type to be presented at the high school. Colorful spring fashions will be worn by the chorus girls. Many song hits, quartets, and dances will be heard and seen at this elaborate performance.

The action of the play takes place on the campus of Marden College, where Kenneth (Snooze) Andrews, comedian with the Marden College glee club, is a cheerful youth with a sad tendency for getting into scrapes and thus incurring the displeasure of President McSpadden. This is unfortunate, because Snooze is in love with the fair Dolly McSpadden, and is therefore extremely anxious to gain the good will of her austere father, who is already much worried over the necessity of raising the final \$50,000.00 for the college endowment fund.

On the day of the story poor Snooze has one more encounter with a traffic officer merely because he made a hurried trip to the city to get a costume to use in the May Festival program, which is to take place that evening, and in which the glee club has a prominent part. In his efforts to hide from the officer and yet continue his part in the program, Snooze puts on his rented costume and successfully disguises himself as the proprietor of a delicatessen store.

Dr. Cicero McSpadden is ex-

pecting some guests for the evening program, and among them is to be Count Gustave von Weinerheister, a wealthy and eccentric foreigner who is well known as a benefactor of colleges such as Marden. Snooze, in disguise, is mistaken for the Count. Because the traffic officer is present when the mistake is made, Snooze is unable to explain and must continue with the deception. This is not altogether distasteful to him, because Dr. and Mrs. McSpadden had urged Dolly to offer the Count every possible encouragement in the hope that she might win a title for herself as well as a fortune for the college.

Act two finds the program in full swing. Snooze manages to keep his head in spite of the confusion and the eager interest taken in him by Miss Agatha Lockstep, house mother at the girls' dormitory. He finally confesses his identity to both the officer and Dr. McSpadden. At this point a registered letter is brought to Dr. McSpadden from Count von Weinerheister. It conveys his regrets at being unable to attend the program, but says he was much impressed by the courtesy of one of the Marden boys, who helped his chauffeur that morning. And so he is sending his check for \$50,000.00 for the Marden endowment fund.

Of course the courteous boy was Snooze, and Dr. McSpadden feels that his great service to Marden should be rewarded. Snooze claims Dolly for his reward and the play comes to a happy close.

The leading characters in the operetta are as follows: Birdie Boggs, a sweet and simple freshman girl, Enrica Adams; Amy Arnold, a bright and

## Amador Alumni Five Gets Win Over Mt. View

Visiting Native Son Team Swamp-  
ed With Score of  
21 to 17

Amador Alumni defeated the Mt. View Native Sons in a hoop contest played at the Amador gym last week by a score of twenty-seven to seventeen.

In a previous game played about a month ago the Don alumni were beaten by a score of thirty-five to thirty-seven. Tuesday night the alumni reversed the count when they managed to score sixteen points against the visitors' five in the first half.

In the second half the alumni continued with their scoring spree to end the game with the visitors on the short end of the twenty-seven to seventeen score.

Tilman Nerton was high point man for the Alumni with eleven markers. Nerton played a fast and effective game the whole time. The guarding of Vervais and Paulo was in top form and played a major part in the victory.

The lineup for the Amador Alumni was as follows: Azevedo and Nerton, forwards; Powers, center; Paulo and Vervais, guards; Nevis and McCormick, substitutes.

was present and told the group the selling of script books began Monday of this week and that early indications revealed the salesmen were progressing successfully. He added further explanation to the details of the script book sale plans presented last week, by pointing out that the entire amount of \$10 for a script book does not necessarily have to be paid at one time. If the purchaser does not possess all the money it is possible to sign a pledge card designating when the remainder of the sum will be paid.

After Norris asked the chamber to decide whether it wished to undertake the sale of script book in Niles, or allow the Centerville Lions committee appointed for Niles to do all of the soliciting, it was suggested by Lester Duffey that the matter be talked over until next week, meanwhile the Centerville group go ahead with the soliciting in Niles. This suggestion was accepted by the chamber.

E. F. Glassbrook announced plans are rapidly progressing for the evening gathering of the Niles Chamber of Commerce to be held Saturday night, April 12, in the Niles Odd Fellows hall. A program of entertainment is being arranged in addition to what the California State Industries League will present in the way of its "Trade at Home" idea.

Announcement was made by Robert Blawie that the Men's Club of Washington township will hold its monthly meeting in the banquet room of the Niles Congregational church Wednesday evening, March 30. Colonel Holderman, a member of the Lost Battalion during the World War, has been obtained as the chief speaker of the evening.

No action was taken on the proposed plan of beautifying the ground along Main street from the firehouse down to the end of the street, because ownership of the property has not yet been definitely decided.

O. W. Ebright was chosen chairman to arrange for next week's meeting.

## PURIFYING PLANT TO BE INSTALLED ON MONTH'S TRIAL

Process Will Leave Absolutely no Taste, Says Expert

A chlorinator is to be installed in Pleasanton's water system on thirty day's trial as a result of the decision of the town council last Monday night.

An analysis of a sample of water from the town well, sent in to the University of California last week, revealed that the water is still unsafe for drinking purposes. This knowledge spurred the council to cast about for some cheaper means of procuring pure drinking water than buying it from the water district.

For the past month or so the water district has been selling water to the town at an approximate monthly cost of \$256.00. This method of supplying the town with water was adopted as a temporary expedient in the expectation that the seepage of impurities into the town well would cease with the passage of the winter rainy season. When it was learned last week that the present condition of the town well may be a permanent one, some means of supplying pure water at less cost must be found, decided the council.

The only practical solution that presented itself appeared to be the installation of chlorinating equipment.

As there would naturally be a strong objection to such a method of purifying Pleasanton's water if any objectionable taste resulted, the town council entered into a thorough discussion of the matter with an expert at its meeting last week.

After a study of the water in the town well, the expert reported

The committee of Troop No. 1, Niles, held its monthly meeting at the home of J. E. Townsend. After the meeting the leaders enjoyed cards and refreshments.

Eagle Scout Lawrence Pine of Troop No. 1, Niles, is working for an Eagle Palm. He has already received the highest rank in scouting, the Eagle Badge. The Palm is a recognition of added merit and leadership ability. There is only one scout in the township that has the award, Louis Ruschin, Jr., of Newark.

A township campfire and field meet is being planned by the Washington Township Scouters. It is the first undertaking of the newly formed organization.

Coach Jess Regli, of the high school faculty, Centerville, is as good a scout as he is a picker of baseball prospects. He passed a merit badge in swimming Monday night. That's the reason he didn't attend the Washington Township Scouters meeting, according to Bill Mette.

### AVOID REPAIR BILLS

In general the automobile is abused more than any other property of equal value. A locomotive is carefully checked after every run because the railroad realizes the value of its investment, but the average car owner rarely visits a repair shop until the car fails to run. Then he usually is faced with a repair bill that might have been avoided. Yet, in proportion to capital, the investment in an automobile is in most cases greater than the investment in a locomotive.

If you don't want to be disturbed by customers coming into your store—don't advertise.

that the slight amount of impurities present would require so little chlorine that absolutely no taste would be left in the water supply.

In view of this recommendation the council decided to have a chlorinator installed on thirty days' trial. Installation will take place as soon as the equipment can be shipped to Pleasanton from the factory.
